## SUMMARY

Passionate web developer specializing in React, HTML, CSS, JavaScript, Tailwind, Firebase, ExpressJS, NEXTjs, and MongoDB. I have **designed, code developed** responsive web applications, and **debugged** complex issues to ensure seamless performance.

## SKILLS

- **Expertise:** React.js, JavaScript, HTML5, CSS3, TailwindCSS ,
- **Comfortable:** MongoDB, Express.js, Tanstack Query, Restful APIs, Bootstrap
- **Familiar:** Node.js, NoSQL, JSON, JWT Authentication, Firebase
- **Tools:** Git & GitHub, Visual Studio Code, Chrome DevTools, React DevTools, Postman, Vercel CLI, Canva, Figma
- **Soft Skills:** Communication, Critical Analysis, Team Collaboration, Problem-Solving, Adaptability, Time Management, Continuous Learning, Critical Thinking, Quick Learner

## PROJECTS

### 1. StayMaster - Hostel Management Web Application | [Live Link](#) | [GitHub\(client\)](#) | [GitHub\(server\)](#)

- **Comprehensive Role-Based Dashboard:** Tailored dashboards for User and Admin, providing specific functionalities such as work logging, Meal management, payment history, and Admin verification.
- **Comprehensive Meal Workflow Management System:** Using REST APIs, admin can use dynamic forms and tables to log meals, request, and review payment history. admins can manage user details, verify employment statuses, and process request payments
- **Secure and Efficient Data Handling with Advanced Authentication:** Data security with **JWT** token verification and email/password authentication alongside Google login.

**Technologies:** ReactJS, ExpressJS, MongoDB, NodeJS, Tailwind CSS, Firebase, JWT, Stripe

### 2. DreamTravel – Tourism Blog Website | [Live Link](#) | [GitHub\(client\)](#) | [GitHub\(server\)](#)

- **Efficient Tour Management:** Full **CRUD** operations for managing spot listings, ensuring easy updating and removal of Location using REST APIs.
- **User Authentication and Security:** Utilized **Firebase** and **JWT** for secure user authentication, safeguarding user data, and ensuring a trusted environment.

**Technologies:** ReactJS, ExpressJS, MongoDB, NodeJS, Tailwind CSS, Firebase, JWT,

## EDUCATION

---

Bachelors of Computer Science and engineering | International University Of Business Agriculture and Technology | 2018-2022 | CGPA: 3.41 in scale of 4.00.

Major General Mahmudul Hasan Adarsha Collage, Tangail | Science | 2014-2016 | GPA 5 Out of 5

BinduBashini Govt Boys' High School ,Tangail | Scinece | 2012-2014 | GPA 5 Out of 5

## EXTRACURRICULAR ACTIVITIES

---

<b><u>Code-Under President, IUBAT</u></b>	<b>2021</b>
<b><u>Publish 2 IEEE Paper (Women Security)with Device (BUP Conference)</u></b>	<b>2022</b>
<b><u>Captain, E-Sports, Counter-Strike: Global Offensive   Dhaka, Bangladesh</u></b>	<b>2008-2020</b>
Teams: GamingGamer69, ArfanAnupom,Xhref, SquezodAlex ,BoomVai, <b><u>Competetive, E-Sports, PUBG   Dhaka, Bangladesh</u></b>	<b>20012-2021</b>
Teams: GamingGamer69, ArfanAnupom,Xhref, SquezodAlex ,BoomVai,	

## PROFESSIONAL COURSES

---

MERN Stack Web Development | Programming Hero | 2024

Dot Net Full Stack Web Development | KS Appears | 2022

## LANGUAGES

---

Bangla - Native | English - Fluent | Hindi, Urdu – Conversational

## HOBBIES

---

Singing | Playing Drums & Tabla | Gaming | Traveling | Coding

## REFERENCE

---

**Dr. Utpal Kanti Das**

Associate Professor & Coordinator (Dept. of CSE)
